Belviq Lawsuit

Belviq and Belviq XR (lorcaserin) are weight-loss medications that are meant to help people with obesity and weight-related health issues curb their hunger, thereby enabling them to potentially lose weight. Unfortunately, based on official findings, Belviq may be dangerous.

In January 2020 the U.S. Food and Drug Administration (FDA) announced a recall of Belviq and Belviq XR due to evidence linking the drug with an increased risk of cancer. This means that hundreds of thousands of people who thought they were doing something to improve their health were instead potentially damaging it.

If you or a loved one took Belviq, Belviq XR, or another brand of lorcaserin, and were later diagnosed with cancer, you may be entitled to compensation from the drug's manufacturer. Call today for a free case review. There's no fee unless we win.

Too Great a Risk

In a five-year, double-blind study of 12,000 patients, those taking Belviq were more likely to be diagnosed with cancer than those taking a placebo (sugar pill). The FDA stated, "A range of cancer types was reported, with several different types of cancers occurring more frequently in the lorcaserin group," including:

- **Pancreatic cancer**
- **Colorectal cancer**
- **Lung cancer**

This is a drug that probably should never have been on the market, and the manufacturers need to be held accountable. Those suffering from a cancer caused by Belviq deserve compensation.

If you or a loved one took Belviq and have been diagnosed with cancer, you could be owed compensation for medical costs, pain and suffering, lost wages, and other damages. We want to help you fight to get it.

FAQ

Has the FDA Recalled Belviq?

Yes. In February 2020, the FDA requested that manufacturer Eisai pull all Belviq and Belviq XR products from the market. Eisai has complied with this request.

Should I Stop Taking Belviq?

Anyone taking this drug should talk to a healthcare professional about their options.

Who Is Eligible for a Belviq Lawsuit?

If you took Belviq or its generic equivalent and were diagnosed with cancer, you should consider taking legal action against the drug's manufacturer. If you meet these criteria, you may have a case:

- Over the age of 18
- Diagnosed with cancer after taking Belviq, Belviq XR, or another brand of lorcaserin
- If a loved one took this weight loss drug and was diagnosed with cancer, you may also contact us on their behalf

What Can I Recover From a Belviq Lawsuit?

Every case is unique, but people who successfully file drug or medical device lawsuits can recover money for some of the following damages:

- Past and future medical bills (including medication, hospital stays, and in-home care)
- Pain and suffering
- Lost wages
- Loss of earning capacity
- Funeral expenses (in the event of a loved one's death)
- Broadly speaking, a plaintiff could be entitled to compensation for any past and future costs associated with their cancer diagnosis

How Much Does It Cost to Hire a Lawyer?

It costs nothing upfront to hire us. Morgan & Morgan operates on the contingency-fee basis, which means we only get paid if we successfully resolve your case. Our fees come out of a favorable settlement or jury award, not out of your pocket.

Who We Are

“

We aim to give more people a chance at justice.

John Morgan founded Morgan & Morgan in 1988. The firm's first office was located in Orlando, Florida, and was made up of three attorneys, two paralegals, and a receptionist. Over the past 30 years, we've been fortunate enough to hire more than 500 attorneys and open 50 offices across the country, empowering us to reach and help even more people. We have a support staff of about 3,000 employees. These paralegals, case managers, case evaluation specialists, receptionists, and more make sure that our clients are taken care of every step of the way.

Our attorneys are dedicated to fighting for the best possible outcome for those who trust us with their cases. With that goal, we've won over \$7 billion for our clients. These wins represent so much more than just a dollar amount, though. They represent the wellbeing of our clients, which is something we take deep pride in protecting.

What People Say About Us

I was able to contact Morgan & Morgan via their online form from the emergency room on the day of my accident. Someone called me the next morning and set up rehab and therapy appointments right away. The following day they came to my home to begin my case. They are swift, professional and customer service-focused. After my accident, I was nervous about driving. I was very grateful that they were so accommodating.

- Z.A., ATLANTA, GA

I couldn't be happier with the service and the professionalism of your staff I was very satisfied with the outcome of my case. The team always returned my telephone calls in a timely manner and shared valuable as well as valid information. They were very professional and maintained a positive attitude. I would definitely use your services again if I was faced with a situation that required an attorney or legal advice and I would also refer your agency to others. Although my situation was unfortunate, I was glad to have your team on my side to get me through the difficult times. Again, I say

THANK YOU.

- KATHY, MEMPHIS, TN

They are the most caring and personal attorneys you could ever have on your side. They genuinely make you feel like helping you in every way they can is their goal and main priority. I'd highly recommend this firm to anyone in need. They treat you as if you were a part of their family and are always seeking the best for the client.

- JANET, LOUISVILLE, KY

“

Although my situation was unfortunate, I was glad to have your team on my side to get me through the difficult times. Again, I say thank you.

I emailed my questions and concerns and had doubt that anyone would contact me in the next 24 hours. I emailed them around 8:30 pm. I received a call the very next morning and the representative explained that after I answered her questions she would turn it over to a lawyer and then they would contact me. She answered all my questions and concerns. She gave me hope that I did the right thing. She said I should hear something in the next few days after a lawyer has time to review. I will not have to pay anything unless they win a settlement. I will receive all the information soon as to what will happen next. It has been less than 24 hours and everything is set in motion.

- TAMMY, ORLANDO, FL

I would just like to say that, regardless of my injuries and all that I am currently going through daily, my attorney was absolutely wonderful to me as far as listening to my concerns and thoughts and always asking if I needed anything. He made sure that he let me know that I could call him at any time for whatever I wanted to discuss regarding my case! He is a true God send and I simply love his attitude and the attention he gives to clients. From day one, this firm has gone above and beyond the call of duty making certain that I was reached out to in a very timely manner. You all ran circles and holes around the first firm! I would recommend you to family, friends, and complete strangers!

- ALICIA, JACKSON, MS

Unbelievably organized, responsive, and probably the most effective process-oriented group of people I've ever seen. Their preparation for mediation and trial is beyond comprehensive. Across two cases and three years, not once did anything fall between the cracks. Everyone I came into contact with exemplifies professionalism; they quickly resolved insurance issues and spent time educating me about everything affecting my cases. I trust Morgan & Morgan and I am grateful for everything they did for me. I recommend them without reservation and will miss working with them now that my civil suit is settled.

In the News

At Morgan & Morgan, everything we do — from the cases we take on to our wins in the courtroom — makes an impact. That’s why in 2019, our legal actions, settlements, and verdicts were covered by premier national and international media outlets like The New York Times, The Washington Post, The Guardian, and CNN, as well as local media outlets.

Here are some of our cases that made headlines in 2019.

Restoring Basketball Glory

In 2018, the NCAA imposed a penalty on the men’s basketball team at the University of Louisville (Kentucky) for alleged rules violations. They had their 2013 NCAA tournament win, 2012 Final Four appearance, and individual player statistics vacated and removed from the record.

With the help of John Morgan, our firm’s founder, the team’s players sued the NCAA and last year reached a confidential settlement. The players had all their statistical achievements and personal honors restored.

Coverage appeared on ESPN, Fox Sports, and in the Associated Press, among others.

Morgan & Morgan Attorney Named Cybersecurity MVP

Morgan & Morgan’s John Yanchunis was named a 2019 MVP by Law360 — the premier national legal news service — in recognition of his work protecting the rights of consumers harmed by data breaches.

Last year, John achieved a notable victory when he and his team reached a \$117 million settlement with web giant Yahoo after a data breach compromised billions of user accounts.

Major Settlement in MA Gas Explosions Case

In September 2018, a series of explosions ripped through the Merrimack Valley, Massachusetts, towns of Lawrence, Andover, and North Andover. These explosions were caused by excess gas pressure in poorly built, poorly installed, and poorly maintained natural gas lines owned and operated by Columbia Gas of Massachusetts.

More than 40 homes experienced explosions and fires as a result, which caused severe damage and injury, including one death. Morgan & Morgan's Frank Petosa took the lead in the lawsuit representing the victims, and in July 2019, a \$143 million settlement was reached.

Coverage appeared in The Washington Post and The Boston Globe, and was provided by the Associated Press.

Florida Powerhouse

Although we're a nationwide firm, Florida is still Morgan & Morgan's home base. This year, the firm was recognized for its achievements in the Sunshine State as a Law360 "Florida Powerhouse."

With over 350 attorneys in the state and more than two dozen offices, Morgan & Morgan has made an indelible name for itself there through litigation and impact.

Fighting for a Zipline Accident Victim

A 10-year-old boy from Lakeland, Florida, was seriously injured when his zipline harness disconnected and he fell 20 feet to the concrete below. On behalf of his family, Morgan & Morgan is pursuing legal action against the operators of the zipline facility, alleging employee error due to improper training and safety procedures.

Coverage appeared on the ABC, FOX, NBC, and CNN news channels, among others.
